Explanation

St. David's Community Health Foundation provides free comprehensive dental care for low income children through Title 1 schools and for indigent adults in Central Texas who have no other access to services. This service is provided with fully equipped mobile dental clinics that are taken to the schools and safety-net agencies where the adults are located. Each clinic is staffed with full time dentists and support personnel. The mobile clinics serve the Title 1 elementary schools in the Austin Independent School District, the Del Valle Independent School District and the Hays Independent School District. In 2007 that totaled 34 schools. At these schools we screened 25,000 children for decay, and patient encounters totaled 9,600 for acute and restorative treatment. During the year low income adults had 1,475 encounters at 9 safety-net agencies. In addition, we gave oral health education to 18,500 students and adults.
